

Dear Families,

Well, what a surprise we had with the extra two days with school being closed. I do enjoy a good winter storm and yesterday was awesome.

Our 4th through 8th graders are busy preparing for History Day. The theme for 2019 is Triumph and Tragedy. St. Mary's History Day is Feb 8th with regional competition taking place February 21st. If families are in need of the student handbook or additional resources, please visit our school website, <https://stmarysup.org/>. On the lower right side of the homepage you will find History Day, and once you click on history day you will find links to various resources.

Last week, I had the opportunity to observe 3rd grade and 4th grade in action working with the Delta science kits. 3rd graders were dissecting owl pellets and 4th graders were creating electrical circuits. Great hands on opportunities. Light bulbs were lighting in 4th grade and 3rd graders were finding dissecting to be either awesome or gross. 😊

Father-Daughter Dance takes place Friday evening from 7:00-8:30 p.m. Thank you, Crystal Rocheleau for chairing this event! What a great evening for dads and daughters.

Hope all of you have a wonderful rest of the week.

God bless,

Hedy A. Yanni
Principal

January 7, 2019
